North County Regional Fire Authority Interlocal Agreement Amendment

The City of Stanwood annexed into the North County Regional Fire Authority by a vote of its residents on January 1, 2019. As part of that annexation the City and North County Regional Fire Authority entered into an Interlocal Agreement (ILA) addressing the continuation of fire services and cost of those services. The original ILA scope of services and payment schedule was drafted based on educated guesses applying past history and anticipated need. Two years have passed with both the City and the Fire Authority jointly working under the umbrella of the ILA and staff, from both are agencies, is recommending that the ILA be updated to reflect additional service needs and to accurately reflect the cost of those services.

POLICE COMPSTAT REPORT DISCUSSION

Staff has been working on updating the 2022 Compstat report; working with crime analysts on changes recommended by this Committee. Staff will present the latest changes to the report and seek feedback as we move toward our final product.
