

**CITY OF STANWOOD  
IRVINE SLOUGH STORMWATER SEPARATION – PHASE 1  
PROJECT # 594 38 63 01**

**Bid Date: July 28, 2020  
Bid Time: 2:00 PM**

**ADDENDUM NO. 1  
Issued July 21, 2020**

**PAGE 1 OF 2**

Bidder shall acknowledge receipt of this addendum by completing the appropriate blanks on the Addenda Received form, found on page I-13 of the Contract Documents.

This Addendum No. 1 consists of two (2) pages and is hereby made a part of and incorporated into the BID PROPOSAL, CONTRACT DOCUMENTS, AND SPECIFICATIONS for the IRVINE SLOUGH STORMWATER SEPARATION – PHASE 1

**INSTRUCTIONS TO BIDDERS: (Part I Bidding Requirements, page I-3)**

A non-mandatory pre-bid meeting is scheduled for Thursday, July 23, 2020, at 1:00 PM for all prospective bidders. The pre-bid meeting will be held at the location of the existing Irvine slough lift station, just west of 98th Avenue NW, and just south of SR 532, see vicinity map on the plans (Project Site). Protective face coverings and social distancing of 6 feet will be enforced during this meeting.

**PUBLIC WORKS CONTRACT: (Part II Contract Forms, page II-2)**

Replace Paragraph 2A with the following:

**2. Time for Performance and Liquidated Damages / Termination of Contract**

A. Time is of the essence in the performance of this Contract and in adhering to the time frames specified herein. The Contractor shall commence work within ten (10) calendar days after notice to proceed from the City, All work to prepare for the installation of the new pump shall be physically completed within 40 working days after Notice to Proceed has been issued. Upon receipt and acceptance of the new pump shop drawings, expected to be approximately 18 weeks after being ordered, work to install the pump will commence. All work to complete the installation of the pump shall be physically completed within 20 working days following the date the pump is to be delivered to the job site.

**SPECIAL PROVISIONS**

**1-03.3(1) Identical Bid Totals**  
(\*\*\*\*\*)

*Modification*

Revise the first and second sentences to read:

After opening Bids, if two or more lowest responsive Bid totals are exactly equal, then the tie-breaker will be the Bidder with an equal lowest bid. The tie-breaker will be determined by drawing as follows:

Two or more slips of paper will be marked as follows: one marked “Winner” and the other(s) marked “unsuccessful”. The slips will be folded to make the marking unseen. The slips will be placed inside a box. One authorized representative of each Bidder shall draw a slip from the box. Bidders shall draw in alphabetic order by the name of the firm as registered with the Washington State Department of Licensing. The slips shall be unfolded and the firm with the slip marked “Winner” will be determined to be the successful Bidder and eligible for Award of the Contract. Only those Bidders who submitted a Bid total that is exactly equal to the lowest responsive Bid are eligible to draw.

**1-06.6 Recycled Materials**  
(\*\*\*\*\*)

*Deletion*

Delete this section in its entirety.

**1-08.5 Time for Completion**  
(\*\*\*\*\*)

*New*

Revise the first paragraph to read:

All work to prepare for the installation of the new pump shall be physically completed within 40 working days after Notice to Proceed has been issued. Upon receipt and acceptance of the new pump shop drawings, expected to be approximately 18 weeks after being ordered, work to install the pump will commence. All work to complete the installation of the pump shall be physically completed within 20 working days following the date the pump is to be delivered to the job site.
