Good evening Stanwood City Council Members and Mayor Callaghan,

My name is Angela Guadamuz. I am interested in the City Council seat that is currently available. I am interested because I would like to see a change in Stanwood. We are growing fast and growing diversely. I would like to see the City Council represent the City of Stanwood. I have lived in the City of Stanwood since 1996 off and on. Current since 2007. I have 4 children who grew up playing SCJAA and continue to play for the Stanwood Spartans. I was team mom for several years on the various teams they all played on.

I have a BA in Law and Justice and an advanced paralegal degree. I recently completed the University of Washington Family Law Cohort. I will be sitting for the bar exam next year for a LLLT License. I am employed as a legal secretary. I have worked in both the private and public sectors for many years.

I have been an advocate for my children and the underrepresented. I volunteer at Snohomish County Legal Services Family Law Clinic.

I have been active and affiliated with legislative and policy committees. Involved in equity, diversity, and inclusion committees.

I believe in transparency and allowing people to be heard. I also believe that things should not be so rushed. The people who choose to run for these positions should keep in mind that they represent the very people that put them in those seats, entrusting that they have their best interests in mind. That to me that is a very high honor and I will do my best to listen and speak and be the best voice for the people I represent. The people of Stanwood.

Thank you for your time.
