City Council Vacancy Application

First Name	Arne
Last Name	Wennerberg
Address	Po Box 536
Phone Number	4252686087
Length of time living within Stanwood City Limits.	Stanwood
Email Address	arne.w@outlook.com

Please briefly describe your qualifications for the position.

Stanwood is the community that I grew up in and graduated from. I have also decided to raise my family here. I believe I would be an effective Council person due to past experiences with the City of Stanwood

In the early 2000 I became interested in local politics and started attending Stanwood City Council meetings. After attending them for a few years I was asked to be on the Citizens Advisory Committee (CAC) for a growth management update. After that I was appointed to the Planning Commission. I have 10 years experience serving as a Stanwood City Council member, several of those years as Mayor Pro Tem.

During my time on the council, I learned to work as a team and to incorporate multiple ideas and thoughts to create better policies and ordinances to help the City of Stanwood become a better place. I believe my previous experience and time serving this community would make me the best candidate for the position.

Thank you for considering me for Stanwood City Council Position #3

Please attach a Letter of Interest (LOI), as well as, any supporting documents you would like considered.

Mayor Callaghan and City Council Members,

Thank you for this opportunity to express my interest for Council Seat #3 which has become recently vacant.

I know there must be others people that have inquired and expressed interest in this position, but I truly feel that I am more qualified than any of them are.

Previously serving on the Planning Commission and 10 years on the Stanwood City Council, of which several as Mayor Pro Tem, make me aware of what it takes to be an effective council member and to work as a team for the betterment of the Stanwood Community.

When the time comes to fill Council seat #3 please keep me in mind. I would like to very much again serve the citizens of Stanwood as a Council member to make it a better place to live, raise a family, and build a business.

Sincerely,

Arne Wennerberg
