Stanwood City Council

City of Stanwood
10220 270th Street NW
Stanwood, WA 98292

Dear City Council,

My name is Cody Davis, and I am interested in filling the recent vacant city council position. I have aspirations of serving my community. As a member of the Stanwood City Council I will work hard creating a reputation that is worthy of a councilman.

I grew up just east of here in Darrington, and had the privilege of attending a variety of colleges throughout our wonderful state. I met my wife in Bellingham while attending Whatcom Community College. We bought our first home here in Stanwood where we are raising our two young children. I am also employed at one of Stanwood's local businesses.

I cherish the smalltown values that Stanwood prides itself on, and I will uphold those values, but with common sense and moderation. The city is growing fast and we need diversity and workable ideas to shape our future. I will provide honest, straightforward opinions to the city council, from a hard working, family oriented, person's point of view. I am someone that is eager to shape our community into something that we and future generations can all be proud to call our home.

I am happy to call Stanwood my home, and grateful to have the chance to serve my community in this way. Thank you for making this opportunity available to people. I look forward to the next City Council meeting on September 10th, and will be in attendance. If any further discussion is needed before the meeting, I can be reached at the above contact information. I look forward to becoming more active in our community.

Sincerely,

Cody Davis
