

**CITY OF STANWOOD
NOTICE OF PUBLIC MEETING**

NOTICE IS HEREBY GIVEN that the City of Stanwood Planning Commission will hold a Public Meeting on the proposed 2020/2021 Docket Requests on **Monday, November 9, 2020 at 6:30 PM** via an Online Meeting. The link is located on the City of Stanwood's website under the Calendar for Planning Commission Meetings.

The Public Meeting is to discuss the following 2020-2021 Docket requests to amend the Comprehensive Plan and/or Municipal Code:

1. Joshua Larson / Lauren Mitchell

Request: An amendment to Stanwood Municipal Code Title 8 Animals, to consider changes to the livestock definition, particularly pet pigs, goats and small animals on properties within the city limits. This proposal would look at differences between types of animals (small animals and pets versus large livestock animals), the number of animals allowed, lot size requirements and any other affected code sections.

3. Tim Schmitt.

Request: Comprehensive Plan text amendment to add a new goal to the Land Use Element of the Plan. This new goal would provide guidance for documenting interpretations of city code and the comprehensive plan. The Community Development Department currently has a code interpretation process which documents why decisions are made; these interpretations are then posted on the City's website. This proposal would provide policy support for current processes and provides the opportunity to re-evaluate current practices.

All materials pertaining to this project may be examined online on the City's website at www.stanwoodwa.org under Public Notices.

Your views for or against the proposed docket request are invited by attendance, representation, or letter. Written correspondence, including e-mail transmittal or questions, may be submitted to: City of Stanwood, Community Development Department, c/o Amy Rusko, 10220 270th St. NW, Stanwood, Washington, 98292 or email at amy.rusko@stanwoodwa.org.

Written comments (e-mailed, mailed, or delivered) will be received at the Community Development Department until **5:00 p.m. on Monday, November 9, 2020**. Comments may also be presented at the public meeting.
