

**CITY OF STANWOOD
NOTICE OF PUBLIC HEARING**

NOTICE IS HEREBY GIVEN that the City of Stanwood City Council will hold a Public Hearing on the proposed Nonconforming Signage Emergency Ordinance on **Thursday, January 26, 2023 at 7:00 PM** at the Stanwood-Camano School District Administration Building Board Room located at 26920 Pioneer Highway, Stanwood, WA 98292 and via an online meeting due to the coronavirus pandemic. Directions on how to join the virtual on-line meeting can be found on the City of Stanwood's website at <http://www.stanwoodwa.org/>.

The Public Hearing is to consider an emergency interim zoning ordinance to the Stanwood Municipal Code Title 17, Zoning, amending the City's sign code to allow for replacement, repair and maintenance of existing, nonconforming signs in city right-of-way damaged due to storm events or natural disasters outside the control of the owner. This emergency ordinance will allow Stanwood's business owners to make repairs to and maintain their existing signs from the 2022 winter storm damage in a timely manner without having to wait for the Unified Development Code portion of the Code Update. Permanent regulations will be assessed and adopted with the 2024 Stanwood Municipal Code Update project.

All materials pertaining to this project may be examined or copies obtained at the Community Development Department at Stanwood City Hall, 10220 270th St. NW during normal business hours 9am-5pm or via email request. Your views for or against the proposed code amendment are invited by attendance, representation, or letter. Written correspondence, including e-mail transmittal or questions, may be submitted to: City of Stanwood, Community Development Department, c/o Patricia Love, 10220 270th St. NW, Stanwood, Washington, 98292.

Written comments (e-mailed, mailed, or delivered) will be received at the Community Development Department until **5:00 p.m. on Wednesday, January 25, 2023.**
